

# SQ26 — SeedingQDArchive

## Part 2: Data Classification Report

Friedrich-Alexander-Universität Erlangen-Nürnberg (FAU)

Supervisor: Prof. Dirk Riehle

Name: Md Rearuzzaman Hridoy

Student ID: 23047806

Summer 2026

### Overall Project Type Distribution

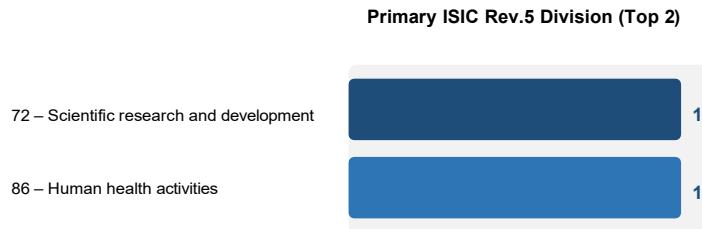

| Project Type  | QDR        | CESSDA     | Total      |
|---------------|------------|------------|------------|
| QDA_PROJECT   | 2          | 0          | 2          |
| QD_PROJECT    | 196        | 323        | 519        |
| OTHER_PROJECT | 0          | 0          | 0          |
| NOT_A_PROJECT | 34         | 277        | 311        |
| <b>TOTAL</b>  | <b>232</b> | <b>600</b> | <b>832</b> |

## Repository 1: QDR

---

Total: 232 | QDA: 2 | QD: 196 | Not a Project: 34 | Classified: 198

### QDA PROJECT

### ISIC Primary Classes (rank-ordered)

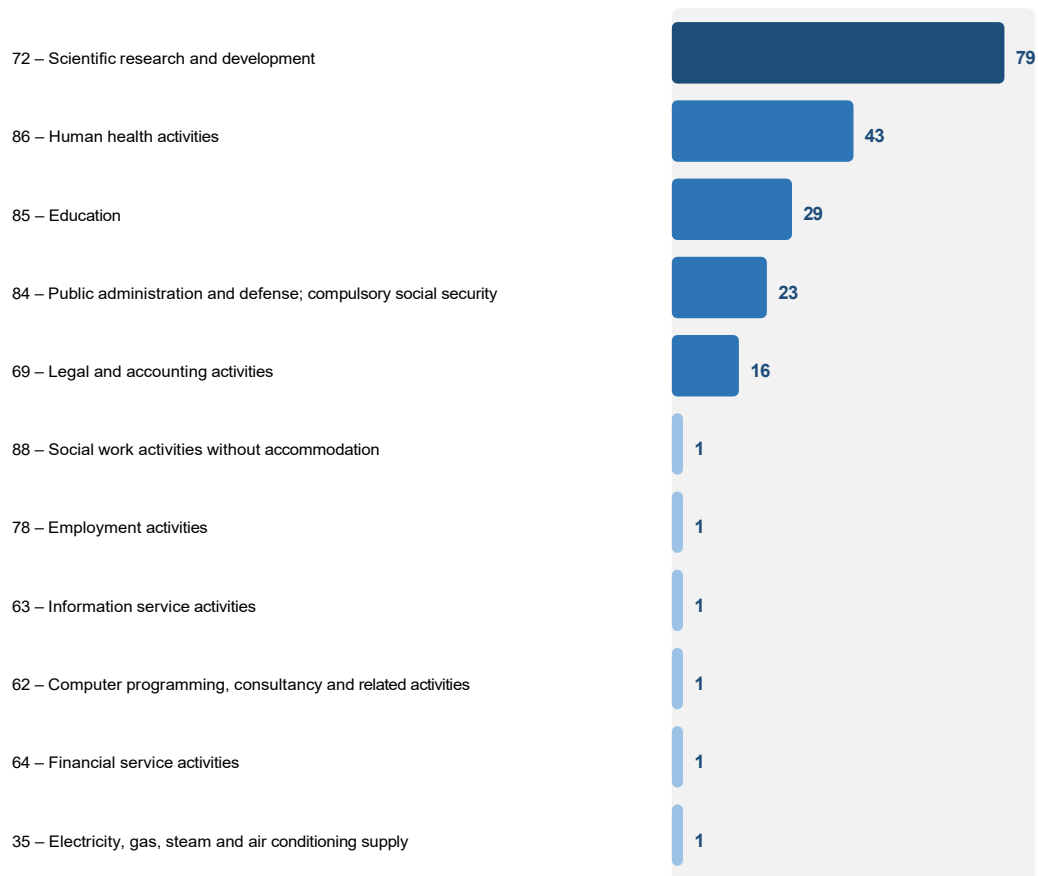

| Rank | ISIC Division                            | Count |
|------|------------------------------------------|-------|
| 1    | 72 – Scientific research and development | 1     |
| 2    | 86 – Human health activities             | 1     |

### Findings

For QDA PROJECT projects in QDR ([data.qdr.syr.edu](http://data.qdr.syr.edu)), the dominant ISIC class is 72 Scientific research and development, covering 1 of 2 classified projects. The top 3 classes together account for 2 projects.

## QD\_PROJECT

### Primary ISIC Rev.5 Division (Top 11)

### ISIC Primary Classes (rank-ordered)

| Rank | ISIC Division                                                      | Count |
|------|--------------------------------------------------------------------|-------|
| 1    | 72 – Scientific research and development                           | 79    |
| 2    | 86 – Human health activities                                       | 43    |
| 3    | 85 – Education                                                     | 29    |
| 4    | 84 – Public administration and defense; compulsory social security | 23    |
| 5    | 69 – Legal and accounting activities                               | 16    |
| 6    | 88 – Social work activities without accommodation                  | 1     |
| 7    | 78 – Employment activities                                         | 1     |
| 8    | 63 – Information service activities                                | 1     |
| 9    | 62 – Computer programming, consultancy and related activities      | 1     |
| 10   | 64 – Financial service activities                                  | 1     |
| 11   | 35 – Electricity, gas, steam and air conditioning supply           | 1     |

## **Findings**

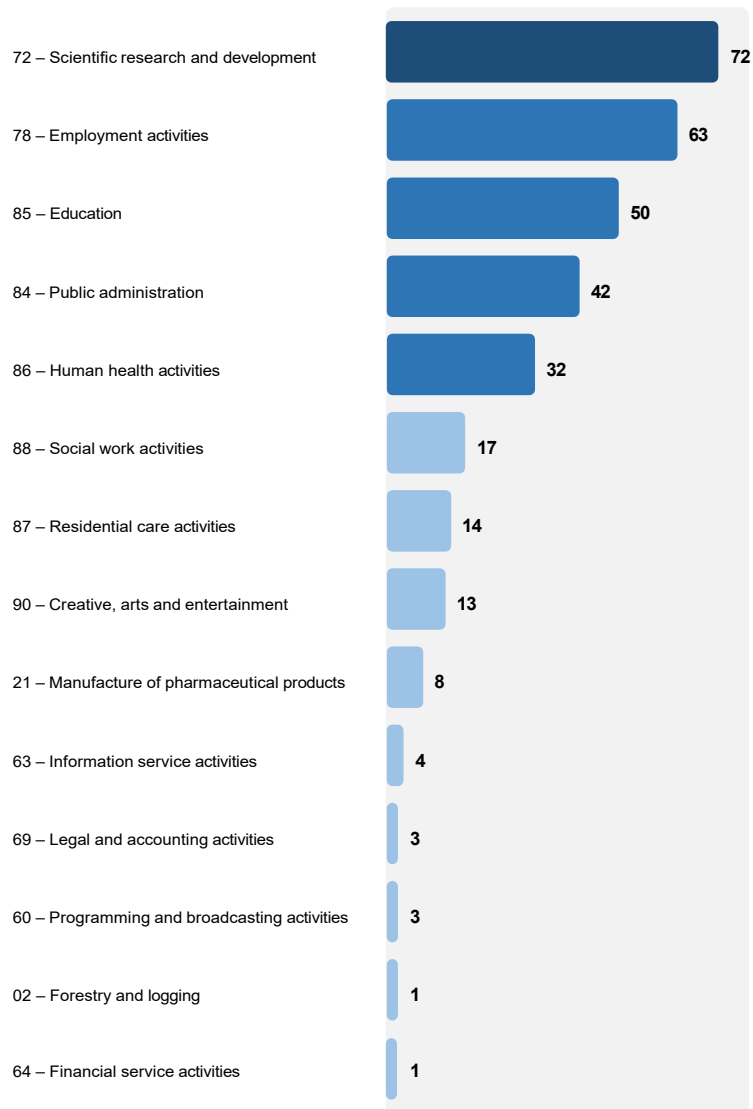

For QD PROJECT projects in QDR ([data.qdr.syr.edu](http://data.qdr.syr.edu)), the dominant ISIC class is 72 – Scientific research and development, covering 79 of 196 classified projects. The top 3 classes together account for 151 projects.

## Repository 2: CESSDA

Total: 600 | QDA: 0 | QD: 323 | Not a Project: 277 | Classified: 323

### QD PROJECT

Primary ISIC Rev.5 Division (Top 14)

### ISIC Primary Classes (rank-ordered)

| Rank | ISIC Division                                                      | Count |
|------|--------------------------------------------------------------------|-------|
| 1    | 72 – Scientific research and development                           | 72    |
| 2    | 78 – Employment activities                                         | 63    |
| 3    | 85 – Education                                                     | 50    |
| 4    | 84 – Public administration and defense; compulsory social security | 42    |

|    |                                                   |    |
|----|---------------------------------------------------|----|
| 5  | 86 – Human health activities                      | 32 |
| 6  | 88 – Social work activities without accommodation | 17 |
| 7  | 87 – Residential care activities                  | 14 |
| 8  | 90 – Creative, arts and entertainment activities  | 13 |
| 9  | 21 – Manufacture of pharmaceutical products       | 8  |
| 10 | 63 – Information service activities               | 4  |
| 11 | 69 – Legal and accounting activities              | 3  |
| 12 | 60 – Programming and broadcasting activities      | 3  |
| 13 | 02 – Forestry and logging                         | 1  |
| 14 | 64 – Financial service activities                 | 1  |

## Findings

For QD PROJECT projects in CESSDA ([datacatalogue.cessda.eu](http://datacatalogue.cessda.eu)), the dominant ISIC class is 72 Scientific research and development, covering 72 of 323 classified projects. The top 3 classes together account for 185 projects.

## Classification Methodology

---

Project type assignment used the waterfall rule from the project spec: QDA\_PROJECT if any successfully downloaded file has a recognized QDA extension; QD\_PROJECT if primary data files were downloaded; OTHER\_PROJECT if any file succeeded; NOT\_A\_PROJECT otherwise.

ISIC Rev.5 classification used keyword heuristics over title, description, and keywords, with optional Claude API fallback for low-confidence cases. Classification was applied only to QDA\_PROJECT and QD\_PROJECT types as specified in Part 2 Step 3.
